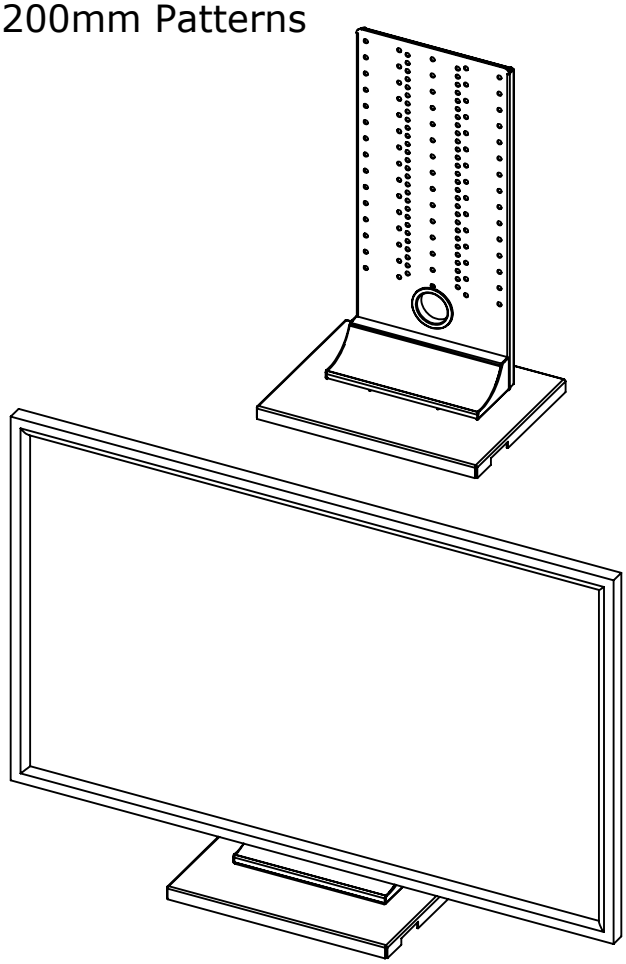
SLELCDR PRODUCT DATA SHEET

SLELCDR - Rectangular Stealth Locking Furniture Mount for Flat Screens up to 42"* with VESA 75mm, 100mm & 200mm Patterns



The SLELCDR attaches to small and medium size flat screens up to 42"* with 75mm, 100mm or 200mm mounting patterns. The patented locking mechanism traps the monitor attaching screws providing security for your flat screen. Wood tapping screws are provided for quick and easy installation onto the counter top. An optional adhesive accessory is available for granite, marble or countertops that can not used for mounting.

Features:

Durable gloss black powder coat finish

Fits from 20" to 42"* flat panel monitors
* Fits most 37" - 42" flat panel monitors depending on mounting pattern and location
Check that the distance from the bottom mounting hole to the bottom of the screen is 11" or less
Call Lucasey with a Make and Model # to verify the compatibility of your specific screen model

Universal mounting pattern fits 75mm, 100mm & 200mm VESA compatible monitors

Patented locking mechanism provides security for your flat screen

4mm & 6mm monitor attaching screws are included
